Dear Isabelle

RE: RESPONSE TO ASX APPENDIX 5B QUERY

Mindax Limited ("Company") (ASX: MDX) refers to your letter dated 13 February 2018 ("Letter") in relation to the Company's Quarterly Cashflow Report in the form of Appendix 5B for the period ended 31 December 2017 ("Appendix 5B").

In accordance with the request made in the Letter, set out below are the Company's responses:

1. ***Please explain the positive \$3,000 recorded under section 1.2 (e), being payments for administration and corporate costs in the Appendix 5B.***

Response: The Company's prepares and lodged its Business Activity Statements (BAS) on an accrual basis. BAS refunds exceeded payments made during the Quarter resulting in a net increase of \$3,000 in cash. This amount has been allocated to administration.

2. ***Please confirm the amount of cash MDX used in operating activities for the quarter ended 31 December 2017.***

Response: The Company made payments of \$9,000 for the quarter's operating activities.

3. ***Given MDX has reported that it has \$11,000 cash at the end of the quarter, please explain how MDX proposes to fund the following estimated expenditure:***

- a) ***\$25,000 on exploration and evaluation, and***
- b) ***\$30,000 on administration and corporate costs.***

Response: The Company has a written undertaking for the provision of funding to allow it to undertake its proposed activities. The undertaking, from a director (Mr Tsang), is to arrange for investors (unrelated parties) to provide funding (up to \$400,000 prior to 15 June 2018 (a portion already received - see below)) for investment into the Company. If not immediately converted to equity the funds are held as interest free, unsecured loans. The current undertaking renews similar such commitments previously received at various times over the year as the Company evaluates refinancing opportunities. The Company received \$50,000 as a short term loan in early January 2018 and is expecting to receive further loan funds in February 2018. The Company continues to discuss its longer term funding options with a number of parties.

4. ***Has MDX taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?***

Response: Refer response to Q3. In addition, the Company continues to actively seek additional sources of working capital and is in discussions with various parties. The Company has a reasonable expectation that additional funds will be secured in order to allow the Company to continue its operations.

5. ***Does MDX expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?***

Response: Refer response to Q3 above. In the event the Company is successful in raising additional funds, this will enable the Company to continue operations. However, if funds are not received from current endeavours the Company will be required to accelerate discussions regarding the re-financing of the Company.

6. ***Please provide any other information that MDX considers may be relevant to ASX forming an opinion on whether MDX is in compliance with Listing Rule 12.2 (a listed entity's financial condition must, in ASX's opinion, be adequate to warrant the continued quotation of its securities and its continued listing).***

Response: Refer response to Q3 above. In relation to Listing Rule 12.2, the adequacy of the Company's financial position is dependent upon the success of future fund raising activities and the continued support of its major shareholders. Re-financing and project proposals are being considered in order to provide the Company with ongoing operational certainty.

7. ***Please confirm that MDX is in compliance with Listing Rule 3.1 and that there is no information about its financial condition that should be given to ASX in accordance with that Rule that has not already been released to the market.***

Response: The Company confirms, to the best of its knowledge, that it is in compliance with Listing Rule 3.1.

8. ***Please confirm that MDX's responses to the questions above have been authorised and approved in accordance with its published continuous disclosure policy or otherwise by its board or an officer of MDX with delegated authority from the board to respond to ASX on disclosure matters.***

Response: I confirm the responses to the questions above have been authorised and approved by an officer of MDX with delegated authority from the board to respond to ASX on disclosure matters.

Yours faithfully

Dennis Wilkins
Company Secretary

Company Secretary

By email:

Dear Mr Wilkins

Mindax Limited (“MDX”) Appendix 5B Query

I refer to MDX’s Appendix 5B quarterly report for the period ended 31 December 2017 lodged with ASX Market Announcements Platform on 31 January 2018 (the “Appendix 5B”).

ASX notes that MDX has reported:

- positive net operating cash flows for the quarter of \$3,000
- cash at the end of the quarter of \$11,000 and
- estimated cash outflows for the next quarter of \$55,000

It is possible to conclude, based on the information in the Appendix 5B that if MDX were to continue to expend cash at the rate indicated by the Appendix 5B, MDX may not have sufficient cash to continue funding its operations. In view of that, ASX asks MDX to respond separately to each of the following questions and requests for information:

1. Please explain the positive \$3,000 recorded under section 1.2 (e), being payments for administration and corporate costs in the Appendix 5B.
2. Please confirm the amount of cash MDX used in operating activities for the quarter ended 31 December 2017.
3. Given MDX has reported that it has \$11,000 cash at the end of the quarter, please explain how MDX proposes to fund the following estimated expenditure:
 - a. \$25,000 on exploration and evaluation, and
 - b. \$30,000 on administration and corporate costs.
4. Has MDX taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?
5. Does MDX expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

For personal use only

6. Please provide any other information that MDX considers may be relevant to ASX forming an opinion on whether MDX is in compliance with Listing Rule 12.2 (a listed entity's financial condition must, in ASX's opinion, be adequate to warrant the continued quotation of its securities and its continued listing).
7. Please confirm that MDX is in compliance with Listing Rule 3.1 and that there is no information about its financial condition that should be given to ASX in accordance with that Rule that has not already been released to the market.
8. Please confirm that MDX's responses to the questions above have been authorised and approved in accordance with its published continuous disclosure policy or otherwise by its board or an officer of MDX with delegated authority from the board to respond to ASX on disclosure matters.

This may require the information to be disclosed before the deadline set out in the previous paragraph.

ASX reserves the right to release a copy of this letter and your response on the ASX Market Announcements Platform under Listing Rule 18.7A. Accordingly, your response should be in a form suitable for release to the market.

Listing Rule 3.1

In responding to this letter, you should have regard to MDX's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure: Listing Rules 3.1 – 3.1B*.

It should be noted that MDX's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.
