DRILLING COMMENCED

Mindax Limited (ASX: **MDX**) (**Company**) is pleased to announce that drilling has commenced at the Company's 100% owned Meekatharra North Gold Project.

Phase 1 of the 14 hole, 2,380m Reverse Circulation Percussion (RC) drilling programme is anticipated to be completed in approximately a fortnight with initial laboratory assays expected within four weeks of finishing drilling.

Executive Chairman, Benjamin Chow commented, "This is both an exciting and important step as the Company works with the ASX to seek relisting of its securities."

The Company will provide further market updates as required.
